Where international, state, and/or county boundaries coincide, the map shows the boundary symbol for only the highest-ranking of these boundaries.

A following the place name indicates that the place is coterminous with:

- CD — Indian reservation
- MCD — Metropolitan Statistical Area

The following place names show tribal census tract boundaries and numbers within the subject entity; nontribal census tract boundaries are shown outside of the subject entity without tribal numbers. The place names include the tribe or tribes associated with the tract defined within a federally recognized American Indian reservation or off-reservation trust land for the purpose of providing data based on an American Indian household. In addition, the place names indicate whether the tract is an off-reservation trust lands cross country or county boundaries, the same as the census tracts that cross international, state, or county boundaries, and, if so, constitutes a single tribal census tract entity.

A following the block number indicates that the block number is repeated elsewhere in the block.
